Liturgical vestments designed for the occasion of the centenary of the apparitions of Our Lady of Fatima.

The circular lines symbolize the believers who are gathered around the figure of Our Lady in the square of the pilgrimage site, although each separate, yet connected in prayer.

The white fabric refers to the immense light shining during the apparitions.

The gold and silver threads in the embroidery, refer to the decorations on the robes of the Virgin.

In **Sentia**, fabric of 55% silk and 45% man-made fibres.

With machine embroidered lines in gold-, silver- and old-gold threads.
